

FY08 eMINTS/METS CLASSROOMS GRANT PROGRAM

Grants Receiving Tentative Approval

The following districts, schools, and teachers are tentatively approved to receive funding under the FY08 eMINTS/METS Classrooms Grant Program. In total 129 applications were received from 77 Missouri districts and charter schools. The 100 tentatively approved applications represent 63 districts, with over one-third of the mathematics and/or science teachers located in upper elementary/intermediate schools, 40 percent in middle or junior high schools, and one-fourth in high schools. Questions about this competitive grant program should be referred to Instructional Technology at 573-751-8247 or instrtech@dese.mo.gov.
